Chicago Ill 60604

Dear Mr. Gowda:

I received a copy of the draft comments for the Lenz Oil RI Report via our fax machine on August 18, 1992. Those comments have covered the comments that I had generated from my review, therefore, submitting them to you would be redundant. Please finalize these comments and distribute to the responsible parties.

Sincerely,

A handwritten signature in cursive script, reading "T.E. Fitzgerald".

T.E. Fitzgerald
